Next Meeting

January 24 – 27, 2022

Hilton Capitol Center

Baton Rouge, Louisiana

i The established times for addressing items on the Council agendas may be adjusted as necessary to accommodate the timely completion of discussion relevant to the agenda items. Public comment may begin earlier than 2:15 pm CDT on October 27, 2021 but will not conclude before that time.

ii Persons wishing to give public testimony **virtually** must sign up on the Council website on the day of public testimony. Registration closes one hour before public testimony begins. Persons wishing to give public testimony **in-person** must register at the registration kiosk in the meeting room before the beginning of the public comment period. During public comment, the Council will hear testimony related to final actions of the Council and pertinent agenda items. Time constraints may limit individual speaking time as determined by the presiding officer. **To help ensure that Council members have sufficient time to consider your written testimony, please submit your comments at least three business days prior to the start of the Council meeting.**

iii Any oral or written statement shall include a brief description of the background and interests of the person testifying and the source and date of any specific information. Persons wishing to submit written testimony or information can do so by emailing it to gulfcouncil@gulfcouncil.org. All written comments will be posted on the Council's website for viewing by Council members and the public.

iv Oral or written communications provided to the Council are public documents. These communications will be made available to the public in their entirety and maintained by the Council as part of its permanent record. Further, knowingly and willfully submitting false information to the Council is a violation of Federal law.

v Anyone wishing to use electronic visual aids during public testimony must provide staff with a copy of the material at least one hour before comment begins to allow for a virus scan of said material.
