

**Red Drum Committee
Action Guide and Next Steps for Tab J**

Agenda Item IV: Presentation on Process to Modify Red Drum Management Out to 9 nm

Timeline Status: Presentation, discussion, and recommendations

Council input and next steps: Council staff will present a summary of the history of management of red drum in the Gulf of Mexico, and the options available for modifying red drum management between 3 and 9 nautical miles for Alabama, Mississippi, and Louisiana. The Committee should consider the information presented, ask questions of Council and Southeast Regional Office staff, and provide feedback and direction to staff on next steps.

Agenda Item V: Other Business

Timeline Status: Additional items that can be brought up for discussion

Council Input and Next Steps: Additional items may be brought up for discussion by Committee members during the adoption of the agenda, time permitting. If the Committee wishes to pursue action, then action can be scheduled at a future Council meeting.
