Agenda Item IV: Ecosystem Based Fisheries Management Road Map Update

Action: Discussion and recommendations

Committee input and next steps: The ETC should review and discuss updates to the NOAA Fisheries 2024 Ecosystem Based Fisheries Management Road Map Update, and provide feedback on the Gulf Council's draft comment letter to NOAA in response to the updated Road Map. The summary of the ETC discussion and comments on the Road Map and draft letter will be provided to the Council during its August 19-22nd meeting in Biloxi, Mississippi before it is submitted.

Agenda Item V: Public Comment

Action: Information

Committee input and next steps: Members of the public will be able to address the ETC directly with respect to topics discussed during the meeting if time allows.

Agenda Item VI: Other Business

Action: Discussion

Committee input and next steps: The ETC will discuss additional topics as necessary.
