

**Shrimp Committee
Action Guide and Next Steps for Tab D**

Agenda Item IV: FINAL ACTION: Shrimp Amendment 19: Shrimp Permit Moratorium

Timeline Status: Final Action

Council input and next steps: Staff will provide a summary of written and virtual public comments received during the comment session held October 21, 2025. Next, staff will summarize the draft amendment. The Committee should ask questions and provide any final recommendations before reviewing the codified text and forwarding the document to the full Council for final action. The Committee could recommend that the Council deem the codified text as necessary and appropriate and give staff editorial license to make any necessary changes in the document.

Agenda Item V: Working Groups Update on Shrimp Bycatch Methodologies

Timeline Status: Information and Feedback

Council input and next steps: Staff will provide an update on the working groups on shrimp bycatch methodologies for finfish. The Committee should consider the information provided, ask questions, and determine if they concur via a motion with the proposed working group approach.

Agenda Item VI: Other Business

Timeline Status: Additional items that can be brought up for discussion

Council Input and Next Steps: Additional items may be brought up for discussion by Committee members during the adoption of the agenda, time permitting. If the Committee wishes to pursue action, then action can be scheduled at a future Council meeting.
