

Sustainable Fisheries Committee: Action Guide and Next Steps for Tab E

Agenda Item IV: Discussion of Five-year Standardized Bycatch Reporting

Timeline Status: Presentation, Discussion and Feedback

Council input and next steps: SERO Staff will give a presentation on standardized bycatch reporting methodologies (SBRM). The previous SBRM review was submitted on February 21, 2022. SERO Staff will define SBRM and outline elements to include in the next SBRM review which is required to be completed by February 21, 2027. SERO Staff will also discuss the progress and timing of the review. The Committee should evaluate the information presented, ask questions, make recommendations, and suggest next steps as warranted.

Agenda Item V: Other Business

Timeline Status: Potential Additional items

Council Input and Next Steps: Additional items may be brought up for discussion by the Committee, time permitting. If the Committee wishes to pursue action, then action can be scheduled at a future Council meeting.
